Dear Ms Watt

**RE: MOUNT VICTORIA RESIDENTS ASSOCIATION**

**Income tax exemption**

Thank you for your letter dated 23 March 2016.

Based on the information we hold Mount Victoria Residents Association was entitled to an income tax deduction as a non profit entity from 01 October 1989 to 30 June 2008 (the date they registered with the Charities Commission, now Department of Internal Affairs - Charities Services, and therefore became entitled to a full income tax exemption).

As a non profit entity an association can claim a deduction for either \$1,000.00 or net income after expenses, whichever is the lesser amount.

If you need any further information, call me on 06 953 3235 between 8 am and 4 pm New Zealand time. I'll be happy to help you.

Yours sincerely
